To any assessment not paid within 30 days of the due date there shall be levied a one time penalty of five percent (5%) of the amount of the assessment due. In addition, interest shall be added to unpaid assessments which shall be computed on a monthly basis on the outstanding balance duc. The annual rate shall be the prevailing bank prime rate in effect on the first business day of the month or twelve percent (12%), whichever is higher. If the above interest and penalty is found to constitute usury under Washington State law, then interest and penalties shall be set at the maximum legal rate allowed by Washington State law. Each person obligated to pay assessments herein agrees and recognizes that expenses of title examination, costs of attorneys; court costs and interest at 12% per annum or the maximum legal rate allowed by law, whichever is greater, shall be included with the amount of any delinquent assessment in the judgment of foreclosure of such lien.

minor items from a perty cash fund not to exceed \$250,00. All interest earned on the trust fund balance shall belong to the Association. The Consumer Price Index (CPI) adjustment formula shall be as follows:

$$\sum_{n=0}^{10} \qquad \left(A_{t-n} \times \frac{CPI_t}{CPI_{t-n}}\right)$$

Where:

t = present calendar year

n = number of calendar years from present

A = dollar value of assessments levied in year

t-n

CPI = the current CPI which is the most recently released CPI figure from the U.S. Department

of Labor Bureau of Labor Statistics available at the time the latecomers fee is paid

CPI = the average CPI for the calendar year t-n

years from the present. The average CPI for each year shall be that as reported in the Economic Report of the President or other

official government document.

No CPI adjustment shall apply to assessment payments which may have been made in the calendar year in which the latecomer fee is paid. Those fees shall be due and payable at the time each lot from the short plat is sold or each time a building permit is issued, whichever occurs first except that no fees shall be levied for the first sale or building permit, whichever comes first. Any individual in the Association may elect to pay these fees in advance of the time table specified above should that individual choose to do so.

Agreement wishes to annex into the Association, then the Board of Directors shall determine the appropriate latecomer's fee to be charged. Such fees shall be in part determined by cumulative assessments paid by similar properties that are part of the Association. Example: Green owns one 20 acre parcel which is later divided into four 5 acre parcels. Over the past 12 years, the Association has levied the following fees for utility and road improvements on Green's 20 acre parcel:

| Year | Assessment fee | Time Period | CPI   |
|------|----------------|-------------|-------|
| 1972 | 1,000          | t-12        | 125.3 |
| 1973 | 0              | t=1.1       | 133.1 |
| 1974 | . 0            | t-10        | 147.7 |
| 1975 | 5,000          | t- 9        | 161.2 |
| 1976 | 0              | t- 8        | 170.5 |
| 1977 | <u>.</u>       | 6- 7        | 181.5 |
| 1978 | 0              | t- 6        | 195.4 |
| 1979 | 2,000          | t- 5 .      | 217.4 |
| 1980 | 0              | t- 4        | 246.8 |
| 1981 | 0              | t-, 3,      | 272.4 |
| 1982 | 100            | t- 2        | 289.1 |
| 1983 |                | <b>t-</b> 1 | 298.4 |
| 1984 | 500            |             | 305.0 |

In this example, the formula would work as follows: No fee would be charged for 1972 assessments since it is past the 10 year cut-off date. Fees for other years would be computed as follows:

| For 1975 | 5000 x | $\frac{305}{161 \cdot 2} =$ | 9,460,30  |
|----------|--------|-----------------------------|-----------|
| For 1979 | 2000 X | 305-<br>217:4 =             | 2,805.89  |
| For 1982 | 100 %  | 305<br>289.1                | 105.50    |
| For 1984 | 500 ×  |                             | 500.00    |
| For 1984 |        |                             | 12,871.69 |

- to whether Ronald L. Anderson, Since there is some questions as to whether Ronald L. Anderson will make use of the road and utilities of Chuckanut Crest Association to access his property, it is agreed he will not be charged for any such improvements unless and until such time as he actually uses them. At that time he would be charged on a per lot basis the same fee that would be levied on an existing Association member that later subdivided his property as set forth in paragraph 10 above.
- Agreement intend that the real property set forth in the attached Exhibit "A" hereafter be encumbered by the conditions, covenants and restrictions herein set forth and that the conditions, covenants and restrictions set forth herein shall be binding upon the respective owners of each lot, any subdivision thereof and that the terms hereof shall be further binding upon the successors, assigns and legal representatives of the parties hereto. The terms and conditions hereof shall constitute a covenant running with the land which shall provide a mechanism for road and utility maintenance, repair and improvement until such time as this agreement is repealed or rescinded as provided for herein.
- 13. Amendments: Except for the recording of "as built" survey descriptions of roadway easements as described above in paragraph 4. this Agreement may only be amended by a two-thirds majority vote of all lots eligible to vote provided, however, that the purpose of the Association as defined above in paragraph 5 shall not be altered without 100 percent approval of all members of the Association.
- 14. Enforceability. If any part of this document shall be found to be legally invalid, the remaining provisions shall remain in full force and affect.
- 15. <u>Insurance</u>. Members of the Association agree to provide for the purchase of a minimum amount of \$1,000,000.00 of liability insurance to cover the Association, its officers and directors and to hold the officers harmless from acting in good faith on behalf of the Association.

16. Recording. Immediately following execution, this entire document shall be recorded of record with the Whatcom County Auditor. All parties recognize that upon recording, this document, its terms and provisions shall constitute a binding encumbrance upon their respective properties.

DATED the day, month and year first set forth above.
